

Pinetree Riding club AGM. November 4, 2017

Attendance: Elaine Ward, Lynnaea Rawlings, Brenna Mayer, Laura Hunter, Tracy Reynolds

4:30 Meeting called to order

Note from your secretary:

This year's turnout for our AGM was very disappointing to say the least. We were unable to hold elections for our board members as we did not have a quorum. On top of that we had no one stepping up for many of the positions that are now left open. As of now, we will be unable to do many of the events and activities that we have enjoyed participating in year after year. Listed below are the results of our meeting such as it was. If you feel you can fill any of the open positions please let us know. Even if you do not want to fill a position but can help, we would love to hear from you. As it stands now, we will not have any shows this year and we have no president or Vice president.
